

## PRESCRIPTION DRUG BENEFIT

---

This prescription drug benefit is administered by MagnaCare Rx.

You will be issued a MagnaCare card that will indicate both your medical and prescription drug benefits and may be used at any participating pharmacy. When you purchase a prescription drug, you will be responsible for the following coinsurance amounts. The **Plan will not reimburse any drugs dispensed at non-participating pharmacies.**

The first \$2,500 in prescription drug charges per family per calendar year	Participant will pay 20% of the discounted cost of the drug.
\$2,500.01 through \$5,000 in prescription drug charges per covered family per calendar year	Participant will pay 100% of the discounted cost of the drug.
All prescription drug charges over \$5,000 per covered family per calendar year	Participant will pay 50% of the discounted cost of the drug.

When you fill a prescription at a participating retail pharmacy, you will receive up to a 30-day supply of your medication.

REMEMBER TO ALWAYS USE YOUR PRESCRIPTION DRUG CARD WHEN YOU GET A PRESCRIPTION FILLED AT A RETAIL PHARMACY. Benefits are provided only for prescription legend drugs that are prescribed by a Physician.

### Mail Order Pharmacy

If you take a maintenance medication for a chronic condition, Advanced Pharmacy is able to deliver your medications right to your home and help you save money with 90-day refill programs.

To order by mail, send Advanced Pharmacy the following

- the original written prescription from your physician
- a completed order form (download from [www.advcrx.com](http://www.advcrx.com))
- payment by check, money order or credit card

Mail the completed order form, written prescription and method of payment to:

**Advanced Pharmacy**
